I have been fighting for taxpayers for 22 years.

- 1997 – Initiative 200 – banned race & gender preferences (govt affirmative action).
- 1998 – Initiative 691 – lowered car tab taxes.
- 1999 – Initiative 695 – \$30 car tabs and voter approval for tax increases.
- 2000 – Initiative 722 – 2% cap on property tax increases.
- 2001 – Initiative 747 – 1% cap on property tax increases.
- 2002 – Initiative 776 – \$30 car tabs.
- 2003 – Initiative 807 – reestablished state tax and spending limits.
- 2004 – Initiative 864 – 25% reduction in property taxes.
- 2005 – Initiative 900 – state auditor empowered to do performance audits of gov't's.
- 2006 – Initiative 917 – \$30 car tabs.

These early initiatives have saved taxpayers \$43.03 billion (2000-2020).

For the next 14 years, my focus was mainly on stopping tax increases:

- 2007 – I-960 set 2/3 vote to raise taxes. **NO TAX INCREASES IN 2008 & 2009.**
- 2008 – I-985 improved transportation using existing taxes instead of raising taxes.
- 2009 – I-1033 capped the growth of government, lowered property taxes.
- 2010 – I-1053 reestablished 2/3 vote to raise taxes after Legislature repealed it. We raised funds but it wasn't enough so I loaned \$250K by mortgaging his home.
- 2011 – I-1125 limited vehicle taxes & I sponsored numerous local city initiatives that banned red-light ticketing cameras (**NO TAX INCREASES**).
- 2012 – I-1185 renewed the 2/3 vote to raise taxes (**2 SMALL TAX INCREASES**).
- 2013 – I-517 protected the initiative process (**NO TAX INCREASES**)
- 2014 – I-1325 pushed for 2/3-for-taxes const. amendment (**NO TAX INCREASES**)
- 2015 – I-1366 pushed for a 2/3-for-taxes constitutional amendment.
- 2016 – Pushed for a 2/3-for-taxes constitutional amendment (**NO TAX INCREASES**)
- 2017 – I-947 "Bring Back Our \$30 Car Tabs"
- 2018 – I-976 \$30 Tabs (Tim sold off retirement fund & loaned \$500K to kickstart it).
- 2019 – I-976 \$30 Tabs & Give Them Nothing (stop pay raises for politicians) & Term Limits on Taxes (stop 11 tax increases). I-976 overwhelmingly passed.
- 2020 – While running for Governor, I pushed numerous projects including legal defense of I-976 \$30 Tabs and multiple lawsuits challenging Inslee's lockdown (OPEN SCHOOLS NOW, ALL BUSINESSES ARE ESSENTIAL, MASK MANDATE).

Taxpayers have benefited tremendously from these successes. **Please help me survive the AG's political assault. If he stops me, you might be next.**
